**QUESTIONNAIRE FOR ACUTE NEUROLOGICAL DYSFUNCTION**

**PET INFORMATION**

Patient: \_\_\_\_\_

Species:     Dog     Cat

**CLIENT INFORMATION**

Name: \_\_\_\_\_

Best phone number(s): \_\_\_\_\_

Date form filled out: \_\_\_\_\_

**PLEASE ANSWER THE QUESTIONS ON THIS PAGE AS COMPLETELY AS POSSIBLE. OFTEN SIGNIFICANT CLUES TO YOUR PET’S NEUROLOGICAL PROBLEMS MAY BE GLEANED FROM THE HISTORY. IF YOU ARE UNSURE PLEASE INDICATE THAT FACT.**

Why are you filling out this form? For example “had a seizure” or “could not awaken pet”. Be as specific as possible as to what happened & when. For example; *“I was getting his dinner ready & he got really excited, he started acting strange, shivering, trembling, then fell over and his legs were paddling and he was drooling & he peed. It lasted about 20 seconds and then he lay there and after about a minute he got up but seemed groggy for about another 10 minutes”* is much more helpful than *“Had a fit”*. Use other side of sheet as needed.
